

Moon In Gemini

This lunar position strengthens the intellect, and makes the native a lover of books, of study, of scientific and literary pursuits; and inclines them to some occupation of a mercurial nature. They are active in mind and body; likely to change their residence frequently, or has more than one house; often goes on short journeys; travels, or is out and about a good deal; is often outdoors, walking or riding, etc., or calling on other people. They are skilful and dexterous with their hands and arms. Is able to live by their wits, and may gain money in more than one occupation, or may change their occupation. The mind is prone to change, and there may be irresolution, or lack of perseverance ; in a bad horoscope this may show as underhandedness, subtlety, lack of straightforwardness and honesty, especially in matters of the second, third and fourth houses.

In emotional relationships lunar Gemini's display a certain free spirit. Here is where you are most intensely restless. You resent being subject to the whims and wishes of other people's emotions, and struggle to retain independence. At the same time, you search for the "perfect" love, which of course does not exist. If your would-be perfect lover is elusive or hard to figure out, this especially piques your interest. In the lively, restless sign of Gemini the Moon's sway becomes more mutable and erratic. This does not make all Moon-in-Gemini children flighty, frivolous, and wishy-washy, but almost always indicates an active mind, an imaginative and creative personality, and someone who is inclined toward intellectual pursuits. If you have a Moon in this position you are extraordinarily quick to receive sensory impressions from the outside world. You rapidly sift through information and make your judgments. Because Gemini is a mental sign, your snap decisions tend to be more intellectual than emotional. It is not that you are unfeeling, simply that your immediate reaction to stimuli is on a mental plane.

You are a fast learner, probably have a high IQ, and are an excellent critic, for you have an ability both to analyze and to verbalize. A Moon in the communicative sign of Gemini endows you with great personal charm. You have enchanting vivacity that draws others to you. Conversations with you tend to run off on unexpected tangents and take sudden turns and reverses. At heart, a lunar Gemini is essentially restless and needs constant stimulation. If forced to be indoors or solitary or inactive, you are unhappy and should try to set aside a part of the day to get out and be among people. A Moon in Gemini makes you extremely impressionable to the changing scene around you. Skill in speaking and writing predisposes many lunar Gemini's to become writers, teachers, and journalists.

As a Moon-in-Gemini person you are always mentally assessing what you are feeling. You are quickwitted and vibrant, and when you come across a new fact or a different way of looking at something, you are likely to undergo a change of mind. One can't count on your firm convictions, but your openness to life makes you a fascinating companion. A Gemini

personality is high-strung. You have a streak of discontent that sometimes shows up as irritability and snappishness. On the other hand, you are amusing, witty, and have a wonderful sense of humor. When you are in the right mood you are a delight to be with.

At times your talent can be stymied by the fact that you lose interest in things so quickly and drop what you so eagerly began. You thrive on travel, change, and meeting different kinds of personalities. In business, your best qualities are versatility and a winning way with people. You perform very well when linked in partnership with someone practical and hardheaded. Having to make a final decision is torture for you; you need a strong, decisive partner.

No matter what your Sun sign may be the Gemini Moon qualities of versatility and intellectualism can be shown outwardly in your personality. If your Sun is in an air sign (Gemini, Libra, Aquarius), your keen intelligence is accentuated by a Gemini Moon and you have a superb gift of self-expression. If your Sun is in a water sign (Cancer, Scorpio, Pisces), your emotional nature is sharpened by the Gemini Moon mental faculties; you have strong creative instincts and a talent for research. If your Sun is in an earth sign (Taurus, Virgo, Capricorn), a Gemini Moon gives you quickness of mind that you can use in a practical way in combination with your Sun sign persistency. If your Sun is in a fire sign (Aries, Leo, Sagittarius), a Gemini Moon bestows high mentality that combined with your passion and adventurism indicates superior leadership ability. Whatever your Sun sign, a Moon in Gemini imparts a witty intellect, an independent spirit, and an imaginative sparkle to your personality.

Lunar Gemini's are usually pleasant, witty, and charming people. At home and with family, however, they can be moody and irritable at times. People with Moon in Gemini are always interesting people; they have a finger in everything, are curious to a fault, and are generally well-informed. Nervousness and worry are common traits with this lunar position. An underlying restlessness is common, and many Lunar Gemini's need more stimulation than others. They usually read a lot, talk a lot, and think a lot with this airy, mutable position of the Moon.

Their homes are often a perpetual work-in-progress. They generally dislike housework, but are big on home improvement. Re-organizing their homes in little--and sometimes big--ways seems to keep them happy, as Lunar Gemini's are easily bored by both routine and constancy. Often, this is a reflection of their inner world--"the grass is always greener..." applies here. Inwardly, Lunar Gemini's are often unsettled. Moon in Gemini parents are generally more adept at handling the intellectual needs of their children than emotional ones. Others' complicated emotions, in general, can be difficult for Lunar Gemini's to handle. In their families; Lunar Gemini's often take on the role of organizing get togethers. They are at their best when they have plenty of things to do beyond routine.

Moon in Gemini people almost always have a way with words. They are clever and witty, and more often than not can be found chatting with others. They are sociable and friendly, and feel comfortable in crowds. Some pay too much attention to what everyone else is doing, and lose touch with what they really want to do. Generally, Lunar Gemini's have a million and one

projects going. They are impressionable folk, and their imagination is boundless. Their openness to new ideas is admirable, although decisiveness and persistence will take a blow as a result. Still, versatility and adaptability are some of the stronger traits of this position of the Moon. When irritable, these people can easily become snappy. Their moodiness is complicated; this is not the same kind of moodiness you'll find with water sign moons, for example. Usually, difficult behavior stems from inner restlessness. Lunar Gemini's want to do it all and have trouble sticking to any one project. When problems arise, the first instinct of Moon in Gemini natives is to talk things out. Their tendency to analyze can give them the appearance of emotional detachment. In fact, Lunar Gemini's may be especially comfortable talking about their feelings, but feeling their own feelings doesn't come as easily. Those that don't take time out to really think and understand their own needs may end up baffling others. Feeling misunderstood is common for Moon in Gemini natives. The only real solution to the problem is learning to get in touch with their own feelings.
